

District 18-A Hall of Fame
International Association of Lions Clubs

What is the District Hall of Fame?

At the annual District Convention, the Past District Governor's Association inducts up to six living and deceased Lions into the District Hall of Fame. Membership in the Hall of Fame is District 18-A's highest honor. It recognizes a lifetime commitment by the recipient to Lions Service in District 18-A.

How is the selection made?

Local Lions Clubs and Past District Governors may nominate one living or deceased Lion for induction each year. From the applications, the most recent District Governors select the inductees each year. Selection is based on the level of contribution the Lion has made to Lionism on the District and Local level. The nominee must have been a registered Lion in District 18-A for ten years. Leadership that the Lion has provided his community at large is also considered. The selection committee is now restricted to only six (6) honorees each year.

Who pays for the award?

Accompanying the application must be a check for \$65 payable to the District 18-A Past District Governors. This fee covers the cost of the award. If the application is not accepted, the check will be returned.

When do you find out about who received the award?

The Awards are presented on Friday night of the District Convention. No one except the selection committee knows the annual inductees until that time. Please, to respect the nominated Lions, they should not be informed of their nomination, but should be in attendance at the District Convention.

Nomination Form
District 18-A Hall of Fame

Lion being nominated:

_____ (Name as pledge would read)
